**DEAR STUDENT**

### **MIT BURSARIES FOR POST GRADUATE STUDIES**

The Meat Industry Trust (MIT) makes funds available annually for bursaries to meritorious students for post graduate studies at South African tertiary institution in fields of importance to the Red Meat Industry.

The purpose of the bursary scheme is to create future South African scientific capacity and to address industry research needs.

If you meet the criteria (in the attached "Information for applicant" document) please apply.

The Meat Industry Trust (MIT) administers the scheme via its Bursary Working Committee who will liaise closely with the tertiary institution and the relevant Head of Department and/or Supervisor under whose guidance the student will conduct the post graduate study (Masters or Doctorate).

An application form is attached, (see annexure 1) and you are requested to study this document before completion and submission to the MIT Bursary Working Committee. Confirmation of receipt will be issued by the Administration office.

Applicants must (a) complete the application form in detail, (b) note that only fulltime students can apply, (c) they must be South African Citizens and (d) A student may hold other bursaries, but a list of those applied for and awarded must be declared.

**Information on pages one to eleven should be typed.**

Closing date for applications is 31 October.

**The Bursary Working Committee will not accept any late applications.**

Further information is available from the Secretariat.

Yours sincerely

**A.G. Calitz**  
**Secretary – MIT -BWC**
